MY HOME INSTALLATION WITH 110 KIDS

WE BAKED AN INSTALLATION TOGETHER WITH 110 KIDS. THE BAKING WAS BEGUN ALREADY AT SPRING 2006 WHEN 110 PUPILS AND THEIR TEACHERS FROM TURKU AREA WERE SELECTED ATTENDING COMMUNAL BAKING WORKSHOPS. WORKSHOPS WERE COLLABORATED WITH CULTURE CENTER OF TURKU.

PUPILS DESIGNED THEIR OWN "HOME" MADE OF GINGER BREAD DOUGH. THE ONLY THING THEY HAD TO HAVE IN MIND WAS, THAT THERE WILL BE PUT A LIGHT INSIDE AS ALL THE CONSTRUCTIONS WERE GOING TO BE A PART OF ONE FINAL INSTALLATION.

THE CONSTRUCTIONS WERE PUT ON A SHELF FOR 7 MONTHS BEFORE IT WAS TIME TO GATHER THEM TO AN INSTALLATION. WE WOULD LIKE TO THANK RAISIO-YHTYMÄ, PANDA, DANSUKKER AND FINNISH CULTURE FOUNDATION.

ATTIC GALLERY

ALL THE 110 BAKED CONSTRUCTIONS WERE GATHERED TO "MY HOME"-INSTALLATION AND EXHIBITED AS A PART OF TURKU CHRISTMAS CELEBRATION IN DECEMBER 2006. THE UNIQUE PIECES WERE FOR SALE WITH THE PRICE OF TEN EUROS/ PIECE. THE MONEY FROM EVERY SOLD PIECE WAS GIVEN TO A ROAD BUILDING PROJECT AT BENIN, AFRICA. WE DISCUSSED WITH CHILDREN ABOUT GIVING THEIR WORK TO CHARITY. EVERY CHILD AGREED AND FELT IT WAS THE RIGHT THING TO DO. REST OF THE GINGER BREAD ARTWORKS WERE FED TO BIRDS AT RUISSALO AS ALL THE MATERIALS AND INGREDIENTS WERE SUITABLE TO EAT AND DELICIOUS! SO, WE DID PLAY WITH FOOD BUT IN A RESPONSIBLE WAY.
